

Dent-Phelps R-III School District
COVID-19 Pandemic Plan for the 2020-2021 School Year

The Dent-Phelps R-III School District believes in the importance of students being educated directly by teachers. The best way is for every student to be at school every day possible. The district takes the student's safety very seriously and this plan was created to address concerns of the COVID-19 pandemic.

While we cannot completely eliminate all the risk associated with the transmission of this virus and have the students in the building, we are taking the steps listed below to minimize the transmission as much as possible and still educate.

This plan was created with input from the Dent-Phelps R-III Local School Board, Administration, The Leadership Team, the school Counselor, the school Nurse, Dent County Health Department, and the other Dent County Schools. This is a working document and is subject to change as the situation changes within the county.

The Dent-Phelps R-III School's first line of defense is you, the parents/guardians, students, and staff. If you are sick or running a fever – do not come to the school. Attendance accountable has been removed for the 2020-2021 school year. There will be no recognitions for perfect attendance. Parents will still receive attendance letters, however, it will be ONLY for your information. Students will still need to do the work that is missed and will receive full credit for the work, but no penalties will occur for student absences. The most important step to this pandemic is – if you are sick stay home.

On recommendation from the Dent County Health Department, the following **RULE WILL APPLY** for the 20-21 school year during this pandemic:

- All Staff and Students who have a fever of 100.4 or greater will need to be **FEVER FREE WITHOUT medication for 24 hours BEFORE they can return to school**. All Staff and Students will be screened daily, and visitors to the school will be limited and screened as well and adults will be required to wear a face covering with the exception of health issues that prevent them from doing so during school hours. Any student developing a fever during the day will be separated until picked up; staff with fevers will be sent home immediately. This is different than the fever guidelines in the Student/Parent Handbook and only applies during this pandemic.
- School Closure due to Positive test results - If there are over 5% of the student body in the building that test positive any day, 4% that test positive over 2 days in row, or over 3% for 3 days in a row that the building or district close for 10 days. (Percentages may change as we get closer to school and better scientific data becomes available).

Open House will be August 21, 2020 3:00-6:30. Students with the last names A-L will be from 3:00-4:30, M-Z will be 5:00-6:30. The first group will need to exit the building by 4:30 so that we may disinfect prior to the second group coming in.

School will begin August 24, 2020 at 8:00 am. with students in-seat and the following is what the district plans to do to minimize transmission throughout the school day. Dent-Phelps will offer COVID-19 related Distance Learning and parents must declare their intentions by August 17, 2020, and Distance Learning will remain in effect for the first quarter. Distance Learning will be provided by the district's

staff and will be of the same content that the in-seat students receive. At the end of the first quarter parents will be given the opportunity to declare again.

There are three plans should we need move to another level as the situation dictates.

- In-Seat – All Students attending
- Half Time – Half the students In-Seat, Half the students Distance
- Distance – All Students virtual, learning from Home.

Typical Day During COVID-19 Pandemic			
	IN-SEAT	HALF TIME	DISTANCE
Before Students Arrive	Staff Screening.	Staff Screening.	N/A
Busing	Assigned Seating. Load Back to Front. Families Sit Together. Close Contacts Noted by Driver Daily. Disinfect between Routes. Unload Front to Back	Assigned Seating. Load Back to Front. --	---	---	--

ALL Distance Learning whether it be part or full time will be valid instruction and students will be required to participate.

There will be a technology survey in the enrollment packets that is important for every family to fill out so we can better assist and ensure that instruction will continue should we have to close the school building again.

Student electronics will be checked in with the Homeroom teacher, and checked out at the end of the day with the Homeroom teacher. This will eliminate student grouping in the small office area. An office representative will pick electronics up from the teachers and secure them in the office. A similar office representative will deliver them back to the classrooms at the end of the day.

See Attachment A Sports Plan.

**Dent-Phelps R-III School District
2020-2021 Sports
COVID-19 Plan
September 14, 2020**

The administrators of Oak Hill R-I, Green Forest R-II, Dent-Phelps R-III, and North Wood R-IV worked together to create the following basketball plan for the seventh and eighth grade fall season. All administrators agreed to the following for student and public safety during this fall sports season. This plan is subject to change based on the current situation.

Spectators will be limited to 70 people. 35 for the home team and 35 for the away team.

Vouchers/Admittance Tickets will be used for spectators to gain admittance to the building.

Temperature checks will be conducted at the door and anyone who has a temperature of 100.4 or higher will not be admitted.

Masks highly recommended.

NO tournaments.

Concession stands will only have drinks and prepackaged items.

Athletes will wear masks while on the bench per MSHSAA guidelines.

Coaches will wear masks or face shields.

Other staff working will wear masks.

Concession stand workers will wear masks.

Scorers table (Scoreboard and Bookkeeper) will wear masks.

District will live streaming events through facebook.
